## COVID-19 UPDATE - HYGIENE GUIDANCE

The Coronavirus has highlighted the importance of maintaining good hygiene to prevent the spread of any viruses and infections so remember to:

- Wash hands frequently with soap and water or use hand sanitiser.
- Cover your mouth and nose when coughing or sneezing to limit the spread of any virus our community.

If you develop symptoms:

- Do not come to work
- Seek medical attention, and provide information about your travel history to your medical practitioner
- Limit contact with other people as much as possible until you have received clearance
- Return to work when you have received medical clearance

If the situation with the Coronavirus changes, we will provide further updates at that time.

Kind regards,
