

jayaboard® **ULTIMATE PROJECT**

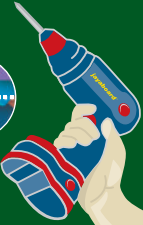

"From Jayaboard, For Your Ultimate Project Needs "

Optimal cycle service for all your wall and ceiling needs from Jayaboard.

Indonesia's first + screw line innovation and product identity on the edges and surfaces.

Ensure that from the beginning the product selection and full system from Jayaboard, pre-design, specification, training, installation to installation are used in your project.

Identity that is clearer and bigger than before makes it easier for product identification, installation, and supervision.

New design on backstamp.
